

FULL RECAP SHEET

Requesting a Contract

What You Learned

- Where to request a seller contract
 - Why watching the instructional video is important
 - What happens after you submit the request
 - How to prepare for your seller appointment
 - How and where to get support if needed
-

Action Steps

1. Go to the Partner Deal Portal
2. Watch the instructional video
3. Submit the contract request form
4. Check your email and text for confirmation
5. Review instructions from your coach
6. Prepare for the seller appointment
7. Post in Circle once your request is submitted

Tips for Success

- Double-check your form before submitting
- Practice what you'll say at the appointment
- Review the contract so you understand it
- Watch the training videos more than once if needed
- Ask for help—it's always okay to get clarification
